NEW SEWER UNDER CONSTRUCTION THIS WEEK

Excavation on Patton Street Began On Work Provided For Under Recent Bond Issue.

Dirt has begun to fly on Patton street along the survey made for the new sewerage system unit to be built out of the money voted at the recent bond election here.

Foreman Raphael Quartaroli and a gang of men began to excavate the fore part of this week and after the excavation work on Patton street is completed will prepare the thoroughfare leading to Napa street which will be torn up last in order not to block the main street any longer than is necessary.

A six inch pipe will be laid with a connecting y every 50 feet. The work is being done by day labor, bids for \$3312.92 from a Petaluma firm and \$2605.60 from a Richmond firm having been rejected. Messrs Quartaroli, Cannobio, Lacon, Lambert, Reine and Reguise have been doing the excavating.

Plans and specifications upon which to base the call for bids for the paving of Sonoma's streets were expected last night. Engineers Howe and Peters having promised to have them ready. The Board will ask for bids on three types of pavement, asphalt concrete, cement concrete, and bitumen.

The trustees recently viewed pavement at Santa Rosa and Healdsburg and got data on costs and durability.

RODEO MANAGER IS TO COMPLETE PROGRAM

Tom Millerick, manager of many rodeos, was in town from Schellville Wednesday, having just returned with his flock from Reno, where he put on a big four days' show. Millerick will give two days of rodeo here during the fair week, and it was to complete arrangements for the feature that he came to town. He says that Santa Rosa will have an excellent program at the rodeo, and he expects his best performers to participate.—Press Democrat.

GLOVE FACTORY CLOSSES BUT MAY REOPEN

The Sonoma branch Glove Factory together with the branch at Petaluma has closed down but according to the management may reopen shortly. Most of the orders now on hand at the main offices in Napa call for buck skin gloves and special machinery and cutters are necessary for this work. These orders will therefore be turned out at the Napa factory. Mr. and Mrs. Morgan who have been in charge of the glove work here left for an outing at Lake Tahoe this week but expect to return in about ten days. Mr. Morgan said he thought that the Sonoma factory would resume operations.

Attorneys R. A. Poppe and Frank Sprague went to Santa Rosa on legal business Monday.

WANT \$2500 AND LOCAL TRUSTEE FOR OLD MISSION

Senator Slater Appeals to Governor in Behalf of Sonoma Landmarks.

Senator Herbert Slater of this county has forwarded to the state board of control at Sacramento resolutions adopted by the Sonoma Valley Womens Club and by Sonoma Parlor of Native Sons and Native Daughters, who are greatly interested in the completion of the restoration of the old Sonoma Mission, asking that an appropriation of \$2,500 be made a budget item, with the money available in the coming fiscal year.

The request seems certain of securing the endorsement of Governor William D. Stephens, who recently visited Sonoma, and spoke at the dedication of the old Mission bell, and was then acquainted with the plans for completing the work.

Senator Slater has promised to introduce an amendment to the present law which will make one of the trustees in charge of the old landmarks of the state a resident of Sonoma county. At the present time the law does not make this provision and with the State owning the old Mission and Bear Flag monument at Sonoma, and the old Greek Chapel at Fort Ross, it is believed some one in authority should reside in this county.

MAN AND WOMAN HELD ON LIQUOR CHARGES

Mrs. Maud Bones was released on \$500 bail Wednesday, following her arrest late Tuesday night on a charge of selling liquor. Edward Gendler was fined \$10 by Judge Collins on a charge of being intoxicated.

Gendler and Charles Kelly were seen by police officers coming out of Mrs. Bones' house in West Eighth street, and carrying a suitcase containing wine. Kelly was held as a witness.

The Bones home, where Mrs. Bones lives with her husband and one child, has been under surveillance for some time, it is said. The raid was made by Police Chief Matthews and Officer Feliz.—Santa Rosa Republican.

WILL GIVE LAND TO CITY

R. C. Specht is determining the boundary lines of certain land in Mountain cemetery long used by the city and having on it plots and monuments although still assessed to the real owners, the Aguilon family. The taxes have been paid on it by the Aguilons much of whose acreage adjoins the city's property north of town but the city has been in complete possession of it. Now the owners have decided to deed the land to the city and the board of trustees have employed Mr. Specht to make the necessary surveys in order that they may specifically accept the gift which has been rendered them.

A requiem mass will be celebrated at St. Francis church for the late Rev. T. P. Moran Tuesday morning. The Y. M. I. will attend in a body.

JITNEY DRIVERS SHOOT AT ONE ANOTHER

Vallejo Man Fined For Peppering Santa Rosa In Running Fight On Highway Sunday Night.

A unique battle was staged on the county road between the Springs and Santa Rosa Sunday evening when Geo. F. Blanco, and Constini Maggiora known as "Scotty" began shooting up the county side after a row over passing one another in which Blanco alleged that Scotty passed him at a speed of above 60 miles an hour and then slowed down to 5 and gave him his dust. This performance was repeated until Blanco became exasperated and peppered Scotty's car with bird shot. Scotty retaliated later with a revolver shot at Blanco's tires. Some of the bird-shot struck Scotty about the shoulders and at Boyes Springs Deputy Sheriff Joe Ryan took a hand in the fray and arrested Blanco.

The running fight resulted in the Vallejo man paying a fine of \$50, at Santa Rosa for "winging" Scotty and he also compensated him for damages to his car and cost of removing the schrapnel from his hide.

NATIVE DAUGHTERS INSTALLATION

The Native Daughters installation last Monday night was a big event. Miss Nellie Peterson is the new president of the Parlor. A pretty gift was presented Mrs. Arthur Drake, past president, and also to Mesdames Foley and Vollers, grand officers.

The following were installed: President, Nellie Peterson; 1st Vice, Stella McGill; 2d Vice, May Chase; 3d Vice, Louise Paulson; Recording Secretary, Mae Norrbom; Financial Secretary, Dorothy Brietenbach; Treasurer, Gladys Small; Marshall, Rose Bartoli; Trustees, Leona Batto, Clara Fouts, Margaret Cereghino; Organist, Leonora Fochetti Outside Sentinel, Myrtle Steumer; Inside Sentinel, Anna Bolin.

On Tuesday evening the Sonoma members journeyed to Santa Rosa in Jep Valente's motor bus and were the guests of Santa Rosa Parlor.

DANCE AND CARD PARTY TO-NIGHT

The monthly benefit given by the Women's Improvement Club of Glen Ellen will take place to-night at the Chauvet Hall, Glen Ellen. Dancing and cards will attract a big crowd, as it is for the Jack London Memorial Library.

FIRES MENACE AND DESTROY PROPERTY

Grain Ready to Thresh Lost By Adolph Rubke; Gables and Resort District Burned Over; Watriss Ranch Ablaze. Benefit For Fire Department on 18th.

Fires continue to menace Sonoma Valley and last week Adolph Rubke prominent Vinetung rancher suffered the loss of \$2500 worth of grain, which was stacked and ready to thresh.

Wednesday a dangerous fire started along the road near the Gables at Verano and the entire district including the Main place was soon in great danger. The Boyes Springs chemical responded and succeeded in saving much property. The chemical's arrival checked the flames although more chemical than used at any previous fire was necessary at the blaze, so Chief Cause states.

The fire swept close up to the Wilson Inn and also down the ravine toward Rosenthals, the former Canyon resort. It took two hours hard fighting to control the flames.

The necessity of a bigger fire department for the Springs district is realized and a benefit to purchase more equipment has been announced by Boyes Springs for August 18th. The response will no doubt be in keeping with the magnificent service the Little Red Devil department has given the Valley the past year.

A fire on the Watriss and Foster ranches was conquered after a stiff battle this week also. The origin of the fires were not determined but they are thought to be due to careless passersby.

PURCHASE BIG STOCK RANCH NEAR WILLITS

Mr. and Mrs. Tom Studley have purchased a stock ranch of over 400 acres near Willits, Mendocino county and will go there to reside. Before coming to Sonoma they were in the stock raising business in Oregon.

While residents of our valley Mr. and Mrs. Studley have made many warm friends who will greatly regret their leave taking from our midst.

Joseph Larecy of San Francisco, a guest at the Morris ranch, reported the loss of a diamond ring to the authorities this week. He claims that he left his valuables at the Agua Caliente bathhouse and when he looked them over the ring was missing. Larecy's loss is being investigated.

WILL CLAIM BRIDE AT HOME WEDDING TOMORROW

Neal Dodge and Gladys Simmons Will Be Married By Rev. Isaac Cookman at Pretty Ceremony.

The spacious home of Mr. and Mrs. Lloyd Scott Simmons will be a bower of floral beauty tomorrow wherein their daughter Gladys and Neal Eugene Dodge will be united in marriage by Rev. Isaac Cookman of the Congregational church. The bride will wear a simple but becoming gown of white silk and carry a shower bouquet. The young couple will be attended by Miss Allen and Griff Baird of San Francisco. The ceremony is to be attended by the families of the contracting parties and an elaborate wedding breakfast will follow.

Already many hand-some gifts are arriving for Mr. Dodge and his bride who have a large circle of friends both here and in San Francisco.

After their honeymoon, Mr. and Mrs. Dodge will return to this valley to reside on the fine orchard south of town of which the groom is one of the owners.

RECEPTION TO NEWLY WEDS

On last Saturday evening in Sebastopol, a number of Petalumas together with guests from Sebastopol, Winters, Oakland and San Francisco attended an elaborate reception to Earl Ames and bride (nee Ethel Gerick), who have just returned from their bridal trip.

At the family residence, a most elaborate reunion and dinner were first enjoyed after which all repaired to Pleasant Hill Hall where dancing until a late hour, feasting and a delightful time were enjoyed, the festivities being continued until the early morning hours. The bride couple received many gifts from relatives and friends and were heartily congratulated and welcomed home.

Music was furnished the early part of the evening by Peggy Gericke and Lucille Ames and Archie O'Leary and later the American Legion orchestra played. The dinner and reunion were enjoyed at the home of Mrs. J. S. Ames, mother of the groom and was a splendid event.

The former Miss Ethel Gericke was a popular Sonoma girl before removing to Sebastopol where she met the young man of her choice. She is a daughter of Otto Gericke.

A pleasant reunion has been enjoyed at the El Dorado this week by the Balletti sisters—Mrs. L. Quartaroli, Mrs. Bureau of Napa and Mrs. Lovell of Eureka.

HAD FINE REFERENCES BUT LANDS IN JAIL

Albert Gleason Arrested For Embezzlement From Fetters Springs.

Albert Gleason who had been employed as a hotel clerk at Fetters Springs for a week was arrested Tuesday after the disappearance of money belonging to the hotel and the alleged finding of the coin in his room. While searching his effects a hand-some traveling bag revealed a quantity of drugs and opiates together with hypodermic needles. Gleason admitted he is an addict and it is believed that he is one of a ring of drug peddlers on which charge he may be prosecuted.

He presented the highest references when hired by the hotel proprietors, a letter from U. S. Senator Shields of Tennessee and papers showing that he had been in the Navy and with the U. S. Hydrographic Engineers. He has evidently led, however, a hypodermic career. His bail on the embezzlement charge was fixed at \$1,000.

SENATOR JAMES D. PHELAN WAS HERE TUESDAY

Senator James Phelan, distinguished member of the U. S. Senate from California was in town Tuesday accompanied by Senator Kenneth McKellar of Tennessee. The latter is a member of the Postal Roads committee of the Senate and he was looking over our rural routes. The gentlemen were in Sonoma county sight seeing and attending the Bohemian jinks. They visited the Mission and other landmarks while here.

GIRL WORKS TOO FAST AND SPRAINS HER ARM

Miss Lois Marshall of Graton is under treatment by a physician today for a sprained arm and wrist as a result of too much speeding at her work of apple packing in the Graton branch of the Sebastopol Apple Growers' Union. She will be unable to return to work for a couple of weeks. Miss Marshall is the daughter of Thomas Marshall of Graton.

Miss Irma Adler is visiting Miss Irene Naumann in San Francisco.

Mrs. Ralph Evans and little daughter of Santa Rosa visited at the Dan Kennell home last Sunday.

SEBASTIANI MAKES MORE IMPROVEMENTS

Installs Fine Equipment For Fruit Canning and Lets Contract For New Bungalows.

Sam Sebastiani, the enterprising cannery man now in New York in behalf of his extensive business interests, continues to make more improvements in Sonoma. The fine equipment for canning pears this year is being installed and while the pack the first season will not be large the plant put in by Mr. Sebastiani has a big capacity and will be able to handle a lot of fruit next year. Sebastiani is in the market for Sonoma Valley pears now and is to pay around \$100 a ton for first grade fruit.

The Sebastiani cannery will also handle tomatoes as Valley of the Moon brand solid pack and puree are already famous.

Contractor R. E. Murphy has been instructed to build four modern bungalows for Mr. Sebastiani on the property recently required from W. S. Daley. The bungalows will be four and five room modern structures and will cost about \$3500 each. Sebastiani already has tenants for his houses and the improvement will make still more attractive the portion of Sonoma city which the wealthy cannery man has so highly improved, and upon which he has already spent thousands of dollars.

SONOMA VALLEY BANK INSTALLS ELECTRIC BURGLAR ALARM

The Sonoma Valley Bank vaults have been interlaced with electric wires and a burglar proof alarm system installed which is declared to be one of the finest on the Coast.

The system affords protection both day and night and in case of any disturbance to the vaults by intruders, lights are flashed on and an electric gong sounded on the outside of the building.

Messrs Barris are justly proud of this addition to Sonoma's financial bulwark.

Mr. and Mrs. Al Stein attended the Pathe convention at the St. Francis in San Francisco this week and report an instructive session and royal time.

ASPIRES TO RE-ELECTION ON HIS "RECORD"

Judge Thos. C. Denny is seeking reelection to the Superior judgeship in Sonoma county on his record so he states in his paid advertising. In this connection his record in at least one estate matter is too well known in Sonoma to recall for comment here. However for the benefit of those who do not know how the estate of a prominent citizen who died without a will was adjudicated by the aspirant to reelection on his "record", we are here to state that when an adventurist is given prime consideration over children and natural heirs and creditors claims are disregarded that a widow of the "vamp" type may prosper and divide the spoils with her attorney, we believe that a judge of the Superior Court should not point to such a record with any pride, let alone ask heads of families to return him to a high office where justice should prevail. We do not believe that he is a fit jurist who ignoring the natural heirs, toys with the word "may" and makes it mean "must" in order to give \$1000 life insurance to an unworthy claimant who was not the beneficiary in the policy, and who by his decision showed he was in accord with the sentiment, "we do not believe it worth while to go into the question of fairness. We are not concerned with it." These words were written into the legal brief and they impressed Judge Denny so favorably that rightful claimants were ignored and the money which should have gone to them was split up between a scheming attorney and his client. This is but a small part of the injustice dealt out in one case of which we have the record.

Let us elect just judges and men concerned with fairness to the Superior bench of Sonoma County.

EXPERIENCE GIVES WISE ADVANTAGE

In seeking reelection to the office of supervisor to represent this district, the present incumbent, J. H. Weise has the great advantage of experience over any other candidate. Granting that he has an opponent honest and progressive in character and with the interest of his district truly at heart yet Mr. Weise through his past service to the people has had the opportunity to learn much and to profit by it. A man must be trained in public service now days to serve his constituents well and taxpayers realize that blunders through inexperience are altogether too costly in these times and may be avoided by continuing in office a man who knows through experience how to attend to public business entrusted to him. The taxpayer is seldom the victim of down right dishonesty but most of the time he is the victim of some public servant's blunders or careless inattention to the interest of his constituents.

The honesty of Supervisor Weise is unquestioned and in past campaigns the one issue raised against him has been expunged through the appointment of a professional road engineer for Sonoma county. Supervisor Weise was among the first to put this district in the hands of the County Engineer. The present condition of the roads cannot be used as propaganda against the incumbent. We are in a transition period twist hakeshift roads and permanent highways. It would be folly to patch and expend much money on roads which can only be properly fixed by being fixed right. Funds for repair and patch work have been curtailed owing to the promised state highway work and the voting of a bond issue for county pavement. In line with the latter work the long hoped for fine county highway near Cotati in Mr. Weise's district is already underway and the contract let for paved highway to Vineburg. The Sonoma Valley bears ample evidence of fine substantial bridges and gutters built at the suggestion of Supervisor Weise in recent years, and a handsome new bridge to replace the historic Cooper bridge will be another monument to the up-to-date citizenship of this supervisory district and its conscientious representative.

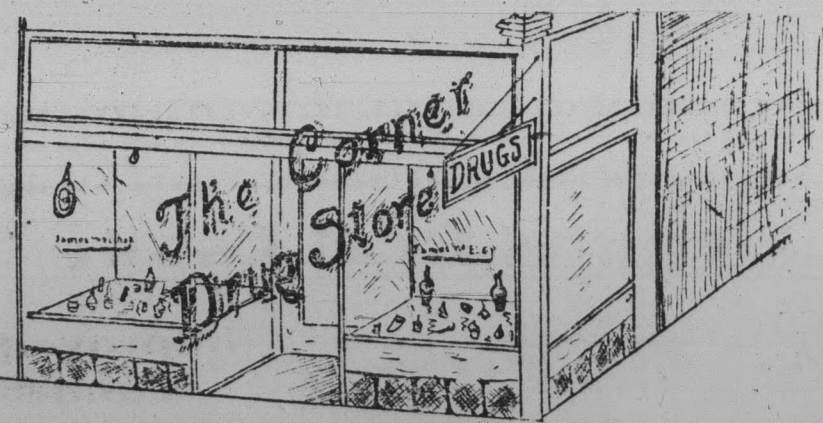

SKULKING under Hearst's yellow coat tails there is more radicalism getting head than money ever tolerated from the "Appeal to Reason" which goes to show that money can sponsor almost anything and get away with it.

THE PROPOSITION to increase the interest rate on the state highway bonds will come before the people for endorsement and then road work in California can progress. It is to be hoped that the State Highway Commission will profit by experience and build roads that will not go to pieces.

Prior to the November election the United States Bureau of Public Roads will make a complete survey and investigation of California's road system at the request of the State Highway Commission. The State Automobile Association is also making an independent engineering investigation by competent engineers with a view to assembling accurate data and facts which may be made the basis of recommendations, which the association might make to State highway authorities with reference to the revision of specifications that would provide more adequate construction to withstand the rapidly increasing traffic burden.

Failure of the campaign to secure the requisite number of signatures to the initiative upon the ballot would have meant that the finance of the State Highway Commission would be cut off for two years or that that State would have been burdened with the cost of a special election.

Wedekind and Mrs. Hattie Bridges motored to family formerly of San Francisco San Francisco Tuesday where she are now occupying their new bungalow was called by an accident to her low on the beautiful ranch recently sister, Mrs. Al Murphy who fell on purchased by them adjoining the A. FORMER SONOMA GIRL IS MARRIED

Friends of the former Miss Assunta Montaldo have received the news of the marriage of the young lady to A. P. Bufo, formerly a partner of B. Mori in the fruit and vegetable business here but now of San Francisco. The happy couple spent their honeymoon in Los Angeles and are now residing in San Francisco where the groom has a market.

Mrs. Bufo is the second daughter of L. Montaldo, wealthy dairyman of Sonoma Valley who has been in Italy for some time past on a visit to his mother there.

BLOSS KEECHLER IS HAVING A FINE HOUSE BUILT

Bloss Keechler, prosperous young dairyman and cattle-raiser of Sonoma Valley is having a fine house erected on his big ranch south west of town. Contractor Kenneth Weaver has already started the building which will be right up-to-date and contain five rooms, bath, pantry and sleeping porch.

The house will be hard finished throughout, have a roomy basement and the exterior will be painted white. It is rumored that Bloss will take a bride when his handsome new home is completed.

EX-SENATOR GRANT AND REFORMERS TO SPEAK THROUGHOUT COUNTY

Ex-Senator Grant who last year made an affidavit attacking Sonoma Valley's leading resorts and other places in the county and after giving us some "choice" advertising went his way indiscriminately to blacken other localities has hobbled up again. This time his lady detective, Daisy Sinkins is not billed with him, but he is to appear with a Guerneville minister and the reform duo it is reported will talk against District Attorney Hoyle at a series of meetings throughout the county. It is understood that money subscribed to the recall campaign fund has been put into reformers hands and they are expected to "get" Hoyle on moral grounds since the charges of his obstruction of road work has failed to impress anyone but the coterie who started the whole outrageous proceeding against as clean a man as ever held public office in the state of California or elsewhere.

CANDIDATE FOR SUPERVISOR WAS VISITOR SATURDAY

E. A. Lau of Cotati, a candidate for Supervisor was in town Saturday accompanied by Fred E. Keppel also a well known resident of the other side.

Mr. Lau is a merchant of Cotati and Keppel is superintendent of The Cotati Company. The gentlemen were looking over the political situation in Sonoma Valley and sounding out sentiment in regard to this section's two candidates Harry Weise and Fred Lowell. Mr. Lau stated that he believed in these days of auto travel the place of residence in the district did not cut much figure in the selection of a supervisor but that a good business man was all important to the tax payers. With Sonoma Valley casting its vote for two favored sons, Mr. Lau seemed to feel that Cotati should have a good chance to land the political plum.

ANOTHER VICIOUS LAW TO FIGHT

Grape growers of California are to conduct a campaign this fall for the defeat of the Harris State Prohibition Enforcement Law, which will be Proposition No. 2 on the ballot.

As few people in the State know anything about the Harris Act, or that it will be submitted to the voters, the grape growers have a big task before them. In order to secure the necessary funds to prepare and send out literature and to reach 1,000,000 voters through newspapers, the California Grape Protective Association is appealing to the growers to contribute the same amount they subscribed in the 1918 campaign.

The Harris Act would prove a very vicious law to have on the statute books of California in the event of the Volstead law having some of the fangs taken out of it by Congress, which is by no means an impossibility if the voters of the nation elect as their representatives men with broad and liberal views and not afraid to stand up for their convictions. A modified national law and a stringent State law against the marketing of light wines would be not only inconsistent but detrimental to the interests of one of California's important industries encouraged and fostered for many years. Grape growers, if alive to the situation, will exert their best energies to defeating the dangerous Harris Act.

FIRE AT THE FEEBLE MINDED HOME

An alarm of fire startled the inmates and employees of the Sonoma State Home, as well as residents in the vicinity, about 1 o'clock Saturday morning. The alarm was caused by discovery of a blaze in the storeroom in the girls' wing of one of the buildings, where some old oil-soaked rags were burning. A few employees were quickly on the scene and had the flames under control in a brief time. Spontaneous combustion is blamed.

YOUR VOTE FOR SUPERIOR JUDGE

Vote for Judge Seawell and Rolfe L. Thompson for Superior Judges of Sonoma county and you will be entrusting the high office where justice is dispensed and law interpreted to two honorable and able men. Judge Seawell is without a peer and can well stand on his honorable record Rolfe L. Thompson is a lawyer of splendid ability and a man of exceptionally high character. No office comes so close to the family hearth as the superior judgeship.

Republican—Santa Rosa: John O. Mohley, Glenn E. Murdock, Henry W. A. Weske, Walter F. Price, H. W. Austin, Robert Madison, and George H. Prindle; Healdsburg: John K. Truitt, John C. Ingalls and Andy D. Nowlin.

County Committeemen—First Sonoma—Angelo Beretta and Geo. Breitenbach.

Democrats—Santa Rosa: Ben. F. Hall, Luther W. Purris, Frank W. Latrell, McBride Smith, Thomas L. Hehir, William Maddux, Wm. S. Coulter; Healdsburg: Oscar J. LeBaron, George H. Haigh, Michael E. Cummings and S. H. Hagerloh; Sonoma: Raoul R. Emparan and Joseph D. Small.

In addition to the two candidates named for congress-man, from this county, Envelle Howard of Lake county and Thomas H. Selva of Eureka, have announced their candidacies, and undoubtedly have or will file their nomination papers in their respective counties. This will make Congressman Clarence F. Lea the only Democratic candidate in the district, while he will be one of four Republican candidates.

It will be seen that Congressman Lea has both Democratic and Republican endorsement. The supervisorial contest in this district has brought out two men to contest for the seat of the present incumbent, J. H. Weise who seeks reelection. Sonoma Valley has two candidates, Mr. Weise and Fred Lowell while Cotati comes forward with Emil A. Lau a merchant of that place who would be supervisor for the district.

Mr. Lowell is the well known cherry orchardist of the Napa road.

PROMINENT ORCHARDIST OF SANTA CLARA COUNTY NOW HERE ON VISIT

Will Clements of Sunnyvale has been visiting his mother at her Eden Dale ranch after a busy season at his fine cherry orchard in the Santa Clara Valley. Mr. Clements has completed the shipment of his 1920 cherry crop, and it is the largest and most valuable in the history of the ranch, which he purchased some three years ago. He had 125 men employed this harvest season and the returns on the crop this year equaled what the orchard originally cost him.

Mr. Clements however has expended considerable money in developing the property since he purchased it, and through scientific methods and fertilization has brought the orchard up to the present high state of productivity.

In addition to the cherries the ranch is also planted to pines and they have been sold on the trees at a handsome figure.

Mr. Clements leaves shortly for a 250 mile motor trip to one of the lakes beyond the Yosemite where he will enjoy a fishing and hunting trip of several weeks.

RETURNED FROM MOTOR TRIP

After a ten days' trip to Nevada, Donner Lake and Lake Tahoe, Mr. and Mrs. W. L. Murphy returned home last Friday night. They came back confirmed Californians greatly enthused over the beauties of the Lake and the great American river canyon with its forests and mountain grandeur. The wonderful "Lovers Leap" cliff which rises over 6000 feet above sea level near Strawberry was greatly admired as was other wonders and historic places on the road to Placerville.

At Tallac, the famous and fashionable resort on Lake Tahoe the travelers called on Mr. and Mrs. E. Arbogast. Mr. Arbogast is chef at the big hotel and has a retinue of help under him. The culinary department is equipped with every modern device from electric egg boilers of the time clock type to immense refrigerator plants for meats and for fruit and vegetables. The meat which is shipped from San Francisco costs the resort over \$1200 per month during the busy season. Tallac's dining room is handsomely equipped even to individual coffee percolators of china which cost \$5 each. An orchestra of 5 pieces discourses music at dinner.

Mr. and Mrs. Arbogast are enjoying the best of health and sent greetings to their Sonoma friends. They confided to the visitors that they greatly missed John Mohr's Don Theatre as there are no movies at Tallac.

Mr. and Mrs. Murphy found the mountain roads via Placerville in excellent condition and had no trouble getting gasoline after leaving Sacramento. They visited Folsom and the state Farm at Davis while enroute home.

**CITE BANKS OF S. F. TO
TURN OVER WOMAN'S MONEY**

Public administrator Frank Phillips who was appointed special administrator to take charge of Marguerite Quinn's affairs following her death at The Oaks here last week has cited San Francisco banks to turn over money belonging to deceased. The banks maintain that the San Francisco public administrator has jurisdiction. Marguerite Quinn who was formerly the wife of Billy Springfield had come to Sonoma Valley for her health when death overtook her. A few hours before passing away she made a will in which Mrs. Mary Farrell was designated as administratrix and friends given much property. It develops that deceased had a mother and sister in Philadelphia but the mother is said to have passed away in the East almost at the hour when Marguerite Quinn succumbed. A contest is expected in the estate which aggregates about \$10,000 and consists of personal property and a ten acre ranch at Livermore.

Public administrator Phillips represents the absent heirs and the state of California.

FARM BUREAU CENTERS TO PICNIC. FARM HOME CONVENIENCES TO BE SUBJECT OF CALIFORNIA UNIVERSITY EXPERT

The office of the Farm Advisor announces an advance series of picnic meetings for some of the Farm Bureau centers during the first week in August. At all these meetings Miss Lillian Clark, of the Farm Home Department, University of California, will be present and outline to the women of the districts farm home sanitation and conveniences. This subject includes septic tank construction, the making of home-made fireless cookers, iceless refrigerators, and dehydrators. The Kellogg farm center will also hear from Mrs. Miller, Director of the Tucker farm center in Napa County, on the subject of construction of community halls. At the other centers the subject of morning glory control will be presented by the Farm Advisor.

The schedule is as follows:

August 2d—Kellogg center, at Kellogg Creek.

August 3d—Olivet and Guerneville centers, Armstrong Grove.

August 6th—Porter Creek center, at Heidelberg.

**LIVE STOCK SPECIAL FEATURE
AT SONOMA COUNTY FAIR**

The Sonoma County Fair to be held at the Fair Grounds in Santa Rosa August 23 - 29 is not all for fun. There is a lasting and permanent value to merchants and farmers in the displays and competitions. One of the most eminent benefits is the Live Stock show.

One of the attractions is Friar Rock, the sire of a two-year-old colt sold this summer in New York City for \$160,000. This is the highest price ever paid for any American bred horse of any age and the highest price ever paid in the world for a two-year-old. The colt is Inch Cape, bred and raised on Wickiup ranch in Sonoma County, and the owners were offered after the sale of Inch Cape, a quarter of a million dollars for Friar Rock, the sire. Wouldn't you like to see a horse worth a quarter of a million dollars.

Then there will be Princess Riverby, the Grand Champion Berkshire sow of the world, with her royal family. There will be prize winning cattle and sheep of many kinds. There will be registered poultry, rabbits, ponies, cats and dogs. Ten years ago there was not enough registered cattle in Sonoma County to form an accurate market estimate. Now there will be enough such stock on exhibit at the local fair to furnish a basis for all the herds that the dairying section along the sixty mile coast line could use.

THE UNIVERSAL CAR

The Ford One Ton Truck is serving business just as faithfully and economically as does the Ford Touring Car serve all the people faithfully and economically. The Ford Truck is a necessity to the grocer both in delivering goods and in bringing goods from the stations, docks and from the country. It is an ideal motor car because there isn't a want of the farmer or business man that it doesn't supply in the way of quick transportation at a minimum expense. Come in, examine the Truck, and let us talk over the subject.
